

# Portfolio Website

By Josephine Chong

# Live Demo

- <https://josephine-c.github.io/> (website)
- <https://github.com/josephine-c/portfolio> (design process/README.md)

# Design/Build process

- **Challenges (live demo on VSC):**
  - Overcoming broken code {} missing
  - The triangle <a> tag on portfolio page
  - Writing on top of the portfolio tag
  - The scrolling bar for company logos
- **Ethical Issues:**
  - Over came copyright issues by using own images
- **Favourite parts:**
  - Using live server and SASS (time saver for the refresh button)
  - The whole thing!!
  - Designing
  - Having a working website!
